FILMING PROTOCOL

FOR STUDIOPLEX RESIDENTS

Dear Homeowners,

Following is the protocol for any and all filming on the Studioplex premises:

- 1 Any production companies, producers, location managers or local crew who are requesting to use any part of our grounds (including Inner Courtyard, Green Space, Studio Room or any of our common areas, including building hallways) MUST FIRST contact our Film Committee Chair Brenda Stepp who will shepherd them through the process.

CONTACT: BRENDA STEPP • brendaleestepp@gmail.com
- 2 Brenda (and associated Film Committee members) will run everything through their checklists, pass along to the SPX Board of Directors for final approval, and finally pass along to Dominic Brodbeck at MRG Property Management, who will handle billing and alerting homeowners of the filming activity with clear specifics (dates, hours, etc.)
- 3 No filming should occur without reaching approval from the Board of Directors via our Film Committee. Anyone attempting to circumvent the process by sending filmmakers directly to Dominic Brodbeck will not be permitted to film on the property.
- 4 This document will remain in the online repository under "Documents" for future reference.

PLEASE REMEMBER

Our community is a shared space. Thank you for your cooperation in helping us protect the privacy, safety, and peace of Studioplex.

Thank you,

" PRESERVE THE PAST. LIVE THE LOFT. "
